

MEDICATION DISPOSAL OPTIONS

For
La Crosse
County

If you are unable to get your medications to the local police department, here is a way that you may dispose of in the household trash:

- Mix medicines (do NOT crush tablets or capsules) with an unpalatable substance such as kitty litter or used coffee grounds.
- Place the mixture in a container such as a sealed plastic bag; and
- Throw the container in your household trash.
- Before throwing out your empty pill bottles or other empty medicine packaging, remember to scratch out all information on the prescription label to make it unreadable.
